Docket No.: 2014-246-E

**PETITION TO INTERVENE OF
FRANK KNAPP, JR.**

Frank Knapp, Jr. hereby petitions the Public Service Commission of South Carolina ("Commission"), pursuant to 26 S.C. Reg. 103-836 and other applicable rules and regulations of the Commission for permission to intervene and be made a party of record in the above-captioned docket. In support of this Petition, Mr. Knapp would show the following:

1. I reside at 118 East Selwood Lane, Columbia, South Carolina 29212, and I own an office building located at 1717 Gervais Street in Columbia, South Carolina. Both are served by SCE&G.
2. I represent myself in this proceeding.
3. In this proceeding the Commission will conduct a generic proceeding "for the purposes of implementing the requirement of Chapter 40, Net Metering, with respect to the net energy metering rates, tariffs, charges and credits of electrical utilities, and specifically to establish the methodology to set any necessary charges and credits".
4. I am a residential and a commercial customer of SCE&G and have a personal and business interest in this proceeding. My position in this docket is that the methodology adopted by the Commission in this proceeding regarding electrical utilities

formulating net metering policies will have a direct impact on my personal and business decisions concerning my future use of solar technology on my properties. At this time I do not plan to make a presentation.

5. As a residential and commercial customer my intervention will aid the Commission by assisting in the development of a full and fair record to address the issues raised in this proceeding. I have a direct and material interest in the issues to be addressed and resolved by the Commission in this docket and my interests are not adequately represented by the current parties to this proceeding.

6. Furthermore, the General Assembly explicitly stated “all interested parties shall be allowed to participate” and “propose methodologies” for setting net metering rates and credits in the generic proceedings. S.C. Code Section 58-40-20(F)(4).

7. I am informed and believe that granting my request to be made a party of record in the above-captioned proceeding is in the public interest, is consistent with the policies of the Commission in encouraging maximum public participation in the issues before it, and should be allowed so that a full and complete record addressing the views and concerns of myself can be developed.

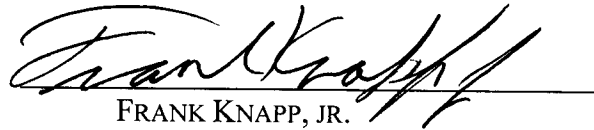

WHEREFORE, I pray for the following relief:

A. That this petition to intervene be granted by the Commission and that I be made a formal party of record to the proceeding;

B. That I be allowed to participate fully in this proceeding and to take such positions as I deem advisable; and

C. That such other and further relief be granted as is just and proper.

Dated this 10th day of July, 2014.
